(S) Statement(s) of Inmate:

At 1634 Inmate placed in safety during intake due to told arresting officer to put a bullet in his head. When I saw inmate he was yelling in safety cell demanding to be released. States he said the wrong thing but he is not suicidal. Admits was angry because the police stole his car when he was looking for his cat. Denies any mental health history, denies takes mental health medications. Refuses to calm down despite being told he will be in safety cell for 24 hours.
